

Active Plus™

Oxygenated Cleaner & Stain Remover

DESCRIPTION & USE

Active Plus™ is an easy to use, 100% Actives, Super Concentrated, Triple Action Cleaner, Deodoriser & Stain Remover. Ideal for cleaning and removing dirt, grime & most stains e.g. algae, mould, mildew, oil, coffee, tea, leaf & tannin stains etc. **USE:** For natural stone, tile, encaustics, pavers, concrete etc.

TEST FIRST

Due to the nature of different surfaces, you should do several test areas in inconspicuous areas according to the label instructions to determine surface colour stability and desired results. The end user must determine the suitability of the product for their intended use.

PRECAUTIONS & SAFETY DIRECTIONS

1. Always test first;
2. Read entire label, SDS & technical bulletin before using;
3. Wear appropriate skin & eye protection;
4. Use when surface temperature is between 4°C & 32°C;
5. Keep away from plants, soil and metals;
6. Once mixed, do **NOT** cover or store mixed solution;
7. Dispose any unused mixed solution after 4 hours by flushing with plenty of clean water into a toilet or drain.

INSTRUCTIONS FOR CLEANING:

1. Pre-wet the surface;
2. Stir in 300gm of **Active Plus™** into a plastic bucket with 10 litres of clean, warm water; (For better results use hot water)
3. Stir until it dissolves;
4. Apply solution generously to surface and allow to dwell for 5-10 minutes;
5. **DO NOT ALLOW PRODUCT TO DRY ON SURFACE** (clean large areas in sections);
6. Scrub with white nylon pad, broom or brush;
7. Rinse thoroughly with clean water;
8. Repeat as necessary.

INSTRUCTIONS FOR STAIN REMOVAL:

1. Mix **Active Plus™** with warm water to form a thick paste to a toothpaste consistency;
2. Apply 6mm of paste in a uniform coat over stained area (cover an area slightly larger than actual stain);
3. Allow paste to dry - this may take 24-48 hours or longer, depending on conditions;
4. When dry, remove paste from the surface with a plastic spatula;
5. Rinse thoroughly with clean water to remove any residue;
6. Repeat as necessary.

LIMITATIONS

The degree of success will be determined by factors including but not limited to type of surface, degree of dirt & grime, length of time stain has been in place, & whether the surface stained is sealed or unsealed.

COVERAGE

For Cleaning - Up to 60m² per 300gm of Active Plus™ when mixed with 10 litres of clean warm water. **Stain Removal** - Coverage will vary depending on size and depth of stain.

HANDLING, STORAGE & CLEAN UP

- ▶ Once mixed, do **NOT** cover or store mixed solution.
- ▶ For powder only - Close container tightly after each use.
- ▶ Store powder in dry area in temperatures between 4°C & 32°C.
- ▶ Wash skin and clothes thoroughly with clean water.

FIRST AID

Contact a doctor or Poisons Information Centre (Australia Ph: 131-126, NZ Ph: 0800 764766). If swallowed, do **NOT** induce vomiting. If In eyes, hold eyelids apart and flush the eye continuously with running water. Continue flushing until advised to stop by the Poisons Information centre or a Doctor, or for at least 15 minutes. If skin or hair contact occurs, remove contaminated clothing and flush skin and hair with running water. If Irritation persists, seek medical attention.

SAFETY PRECAUTIONS

- ▶ Avoid contact with skin & eyes.
- ▶ Do **NOT** swallow or breathe dust.
- ▶ Contains Sodium Carbonate Peroxyhydrate 34% w/w
