Aqua-Strip

Water Based Cleaner, Degreaser & Stripper for Light Sealers, Coatings & Epoxy Grout Haze

+ Strips Light Sealers, Water Based Coatings & Floor Finishes
+ Removes Light Epoxy Grout Haze, Grout Latex Film & Porcelain Wax
+ Water Based, Low Odour, Does Not Burn
+ Concentrate – Dilute 1:4 to Neat Depending on the Job

Product page, SDS & more

DESCRIPTION

Aqua-Strip is a new generation, **Professional Grade**, low odour, water based, heavy duty multi-purpose cleaner, degreaser and problem solver. Ideal for areas that have been neglected or subject to heavy use.

WHAT DOES IT DO

Helps remove light versions of epoxy grout haze and grout latex film, degreases, removes porcelain wax and strips most sealers, water based coatings, floor polishes and floor finishes.

SUITABLE FOR

Surfaces

+ Porcelain & Ceramic
+ Encaustic & Tessellated
+ Terrazzo & Mosaics
+ Bricks & Pavers
+ Concrete
+ Terracotta & Saltillo
+ Engineered Stone

Natural Stone

+ Basalt & Bluestone
+ Granite & Quartz
+ Marble & Limestone
+ Sandstone & Slate
+ Travertine
+ All Natural Stone

WHERE TO USE

Indoor, outdoor, domestic and commercial areas: homes, hotels, motels, shopping centres, airports, resorts, restaurants, bars, apartments, aged care and child care centres.

TEST FIRST

Always test first in an inconspicuous area to determine ease of application, dilution rate, colour stability and desired results. End user must determine suitability of product for their own use.

WHAT YOU NEED BEFORE YOU START

- Chemical resistant gloves, eye / face protection and protective clothing;
- Plastic bucket, clean water and a mop, brush or sponge;
- White nylon pad, scrub brush or slow speed scrubber;
- Wet vac or mop and plenty of clean water for rinsing.

PRECAUTIONS & SAFETY DIRECTIONS

1. Read entire label, SDS and technical bulletin before using;
2. Wear appropriate gloves, protective clothing and eye / face protection – causes severe burns;
3. Do NOT breathe fumes, mist, vapours or spray. Use only in a well ventilated area. Do not kneel in product;
4. Avoid contact during pregnancy or while nursing;
5. Do NOT allow contact with non-recommended surfaces. May affect polished surfaces when used 1:1 or neat;
6. Do NOT mix with other chemicals.

HOW TO DILUTE & USE

Always add **Aqua-Strip** to clean water to prevent splashing. **Per 4 L of water in a bucket:**

Task	Ratio	Add Aqua-Strip	Total mixed
LIGHT cleaning, degreasing & problem solving	**1:4**	1 L	5 L
MODERATE cleaning, degreasing & problem solving	**1:2**	2 L	6 L
HEAVY DUTY cleaning, degreasing & problem solving	**1:1**	4 L	8 L
EXTREME – stripping sealers & epoxy haze	**Neat**	–	–

1. Sweep, vacuum or wipe the surface;
2. Dilute as per the table above depending on the job;
3. Carefully apply the diluted solution to the surface;
4. Allow a dwell time of 10 – 60 minutes (the longer the better);
5. **DON'T ALLOW PRODUCT TO DRY ON SURFACE – ADD MORE DILUTED PRODUCT TO KEEP WET AND ACTIVE**;
6. Scrub with a white nylon pad, scrub brush or scrub machine (slow speed scrubber for larger areas);
7. Remove the dirty solution with a wet vac or mop;
8. Rinse thoroughly with clean water;
9. Repeat as necessary.

CONDITIONS

Use when surface temperature is between 4°C & 32°C. Allow the surface to dry thoroughly and do a test area before applying any new sealer or coating.

Aqua-Strip

Water Based Cleaner, Degreaser & Stripper for Light Sealers, Coatings & Epoxy Grout Haze

TECHNICAL DATA

Product type	Water based alkaline cleaner, degreaser & stripper concentrate
pH	Strongly alkaline (concentrate)
Dilution	1:4, 1:2, 1:1 or neat
Dwell time	10 – 60 minutes, keep wet
Flammability	Does not burn
Shelf life	Approx. 3 years unopened – less after opening
Pack sizes	1 Litre · 4 Litre
Transport	Dangerous Good: UN1760, Class 8, PG II
SDS	sealersplus.com.au/sds/Aqua-Strip-SDS.pdf

LIMITATIONS

- Heavier coatings, sealers, epoxy grout haze or residues may require **Strip-It**;
- For stains, see the Stain Removal Guide in our Product Selector.

HANDLING, STORAGE & CLEAN UP

- Close container tightly after each use and keep upright. Store locked up in the original container in a well ventilated cool area, protected from sunlight;
- Do not re-use container. Rinse and discard in rubbish. Clean tools, gloves and clothing with water before they dry;
- Shelf life approx. 3 years unopened – less after opening. Storage beyond that time does not necessarily mean the product is not usable. Do a small test area first.

DANGER

UN1760 CORROSIVE LIQUID, N.O.S. Class 8, PG II. Hazardous according to Safe Work Australia (GHS 7). **H314** Causes severe skin burns and eye damage. **H335** May cause respiratory irritation. **H360** May damage fertility or the unborn child. Obtain special instructions before use. Avoid contact during pregnancy or while nursing. Do not breathe fumes, mists, vapours or spray. Wear protective gloves, clothing and eye or face protection. Store locked up. Keep out of reach of children.

FIRST AID

Immediately contact Poisons Centre (Australia Ph: 131 126, NZ Ph: 0800 764 766) or a doctor. **Ingestion:** Rinse mouth. Do NOT induce vomiting. **Eyes:** Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do. Continue rinsing. **Skin & hair:** Remove all contaminated clothing immediately and rinse skin with water; wash clothing before re-use. **Inhalation:** Remove to fresh air and keep at rest in a position comfortable for breathing. **General:** If exposed or concerned, get medical advice.
