+ Ultra Concentrated – 4 L Makes Up to 324 L of Cleaner
+ Cleans & Re-Seals in One Step
+ Rinse Free & Streak Free
+ pH Neutral – for Sealed Stone, Tile & Grout
+ Ideal for Everyday / Weekly Use – Fresh Lemon Scent

Product page, SDS & more

DESCRIPTION

Boost Plus is a new generation, rinse free, streak free, ultra concentrated pH neutral cleaner & re-sealer. When used regularly and as per directions it helps maintain your sealed surface in a pristine condition and helps support the longevity of your existing sealer.

WHAT DOES IT DO

Cleans everyday dirt and grime while leaving a light re-sealing film that helps boost the performance of the existing sealer. Regular use helps reduce the build-up of soap scum and hard water deposits, and leaves the room smelling fresh and clean with a fresh lemon scent.

SUITABLE FOR

Sealed natural stone such as basalt, bluestone, granite, limestone, marble, quartzite, sandstone, slate and travertine, plus porcelain and encaustic tiles, terrazzo, concrete, pavers, Saltillo, grout and other sealed surfaces.

Surfaces
+ All Natural Stone
+ Porcelain & Ceramic
+ Terrazzo & Encaustic
+ Terracotta & Saltillo
+ Grout & Concrete
+ Bricks & Pavers
+ Engineered Stone

Where
+ Living Areas
+ Kitchens & Laundries
+ Bathrooms & Showers
+ Entries & Hallways
+ Hotels & Offices
+ Retail & Restaurants
+ Outdoor Areas

WHERE TO USE

Household, commercial and industrial floors and walls, interior and exterior: homes, apartments, hotels, offices, shopping centres, retail, restaurants and cafes.

TEST FIRST

Due to the nature of different surfaces, always test first in an inconspicuous area to check dilution, colour stability and the desired result. The end user must determine the suitability of the product for their intended use.

WHAT YOU NEED BEFORE YOU START

- Gloves and eye protection;
- Plastic bucket and clean water;
- Good quality microfibre mop or white nylon pad;
- Broom or vacuum.

HOW TO DILUTE & USE

Always add **Boost Plus** to clean water to prevent foaming and splashing. **Per 4 L of water in a bucket:**

Use	Add Boost Plus	Total mixed
General (everyday) clean	**50 mL**	4.05 L
Heavier soiling	**100 mL**	4.1 L

1. Sweep, vacuum or wipe the surface;
2. Dilute as per the table above;
3. Damp mop the surface with a microfibre mop or white nylon pad. DON'T ALLOW PRODUCT TO DRY ON SURFACE – ADD MORE DILUTED PRODUCT TO KEEP WET AND ACTIVE;
4. **No rinsing required.** Allow to air dry;
5. Change the solution as it gets dirty and repeat the process as necessary.

TIP

More is not better: using more than the recommended dose can leave a sticky film or marks. If this happens, clean with **XtremeClean+**, then go back to the correct dilution.

CONDITIONS

Use when the surface temperature is between 4°C and 32°C. Avoid applying in direct hot sun where the solution dries too fast.

Boost Plus

Stone & Terrazzo Cleaner and Re-Sealer

PRECAUTIONS & SAFETY DIRECTIONS

1. Read entire label, SDS & technical bulletin before using;
2. Wear appropriate skin & eye protection;
3. Use when surface temperature is between 4°C & 32°C;
4. Do NOT allow contact with non-recommended surfaces;
5. Do NOT mix with other chemicals;
6. Change the cleaning solution as it gets dirty;
7. Keep floors dry to help prevent slips and falls.

Appearance	Clear colourless liquid
pH	7.0 – 8.0 (as supplied)
Dilution	50 mL per 4 L water (general) · 100 mL per 4 L water (heavier soiling)
Rinsing	Not required
Pack sizes	1 Litre · 4 Litre
Transport	Not a Dangerous Good
SDS	sealersplus.com.au/sds/Boost-SDS.pdf

MORE HELP

+ Trouble Shooting Guide: **Boost-TS.pdf**;
+ Which cleaner? **Product Selector**;

CAUTION

Not classified as hazardous (Safe Work Australia GHS 7). Not a Dangerous Good. Keep out of reach of children. Avoid breathing mists or spray. If eye irritation persists, seek medical attention. IF SWALLOWED: rinse mouth. Do NOT induce vomiting.

LIMITATIONS

- **Boost Plus** is formulated to help keep a clean, sealed surface looking clean. It is not a substitute for a penetrating sealer – seal first with **Aqua-Seal Gold+**;
- Not for heavy duty cleaning. Heavily soiled or neglected areas need cleaning first with **XtremeClean+**;
- For stain removal and problem solving see **our problem solvers**.

ONGOING MAINTENANCE OF HARD SURFACES

+ **Boost Plus** – routine everyday / weekly cleaning that helps boost the sealer;
+ **EzyClean+** – everyday cleaning & disinfecting;
+ **XtremeClean+** – heavy duty cleaning & degreasing;
+ **Stone Wash+** – deep cleaning & conditioning;
+ **Aqua-Seal Gold+** – re-seal when water no longer beads;

HANDLING, STORAGE & CLEAN UP

- Close container tightly after each use. Store in a cool place between 4°C and 30°C, out of direct light;
- Do not re-use container. Rinse and discard in rubbish or recycle;
- Clean tools and hands with clean water.

FIRST AID

Contact a doctor or Poisons Information Centre (Australia Ph: 131 126, NZ Ph: 0800 764 766). **Ingestion:** Rinse mouth with water. Do NOT induce vomiting. **Eyes:** No effects expected. If irritation occurs, flush with lukewarm, gently flowing water for 5 minutes or until the product is removed. **Skin & hair:** Wash gently and thoroughly with water. **Inhalation:** Move to fresh air. **General:** If irritation persists or you feel unwell, seek medical attention.
