Clean'N'Gleam™

Clean & Shine Benchtop Cleaner

DESCRIPTION & USE

Clean'N'Gleam™ is a ready to use one-step spray, clean & shine bench top cleaner. Use on all sealed and polished Natural Stone & Engineered Stone bench tops, table tops & vanities to clean the surface and prolong the existing factory polished finish. Ideal for domestic & commercial use. Do NOT use on floor or traffic surfaces;

TEST FIRST

Due to the nature of different surfaces, you should do several test areas in inconspicuous areas according to the label instructions to determine surface colour stability and desired results. The end user must determine the suitability of the product for their intended use.

PRECAUTIONS & SAFETY DIRECTIONS

1. Always test first;
2. Read entire label, SDS & product technical bulletin
3. before using;
4. Wear appropriate skin & eye protection;
5. Use when surface temperature is between 4°C & 32°C
6. Do not mix with other chemicals;
7. Do not allow product to come in contact with any non-recommended surfaces;
8. Do **NOT** use on floors or in foot traffic areas;

APPLICATION INSTRUCTIONS:

1. Spray Clean'N'Gleam™ directly to surface;
2. Allow to dwell for a few minutes;
3. Wipe completely dry with absorbent paper towels or a clean dry cloth;
4. Repeat the process as necessary;

Note: Heavily soiled areas may require scrubbing with a white nylon pad plus a longer dwell time or the use of a heavy duty cleaner. Contact Aqua-Seal STS™ for appropriate cleaner;

Note: Regular use will help prolong the look of the stone top finish.

LIMITATIONS

- Will not restore polish finish to dull, etched, worn, scratched or honed surfaces;
- Contact Aqua-Seal STS™ for appropriate re-polishing product;

HANDLING, STORAGE & CLEAN UP

- Close container tightly after each use;
- Store between 4°C and 32°C.
- Do not re-use container. Discard in rubbish.
- Clean tools and hands with clean water.

FIRST AID

Contact a doctor or Poisons Information Centre (Australia Ph: 131-126, NZ Ph: 0800 764766). Ingestion: Do not induce vomiting. Give water or milk to drink. Eyes: No effects expected. If irritation occurs, immediately flush eyes with clean, running water for at least 15 minutes & see a doctor. Skin & Hair: Remove contaminated clothing. Immediately wash contaminated skin & hair with plenty of water. Inhalation: First aid not generally required. If in doubt, seek medical advice. General: If irritation persists or feeling unwell, seek medical attention.
