+ Highly Concentrated – 4 L Makes Up to 84 L of Cleaner
+ Deep Cleans, Conditions & Disinfects in One Step
+ Kills Odours, Bacteria & Germs – ActivePlus™ Antibacterial Action
+ Helps Remove Dirt, Grease, Grime, Soap Scum, Wax & Oil
+ For Natural Stone, Terrazzo, Tile & Grout – Indoors & Outdoors

Product page, SDS & more

DESCRIPTION

Stone Wash+ is a **Professional Grade**, highly concentrated, alkaline deep cleaner, conditioner and commercial grade disinfectant formulated with ActivePlus™ Antibacterial Action technology.

WHAT DOES IT DO

Kills odours, disinfects and sanitises, and helps remove dirt, grease, grime, soap scum, wax, oil, mildew, porcelain wax and floor finishes. Helps inhibit mould growth. Kills E. coli and S. aureus as evaluated in accordance with the TGA test for commercial grade disinfectants.

SUITABLE FOR

All natural stone (bluestone, granite, marble, limestone, travertine and more), porcelain, ceramic, encaustic, brick and terrazzo, grout, concrete, terracotta, Saltillo, pavers, mosaics (stone, metal and glass) and engineered stone.

Surfaces

+ All Natural Stone
+ Terrazzo & Encaustic
+ Porcelain & Ceramic
+ Grout & Concrete
+ Terracotta & Saltillo
+ Bricks & Pavers
+ Mosaics
+ Engineered Stone

Where

+ Living Areas
+ Bathrooms & Showers
+ Kitchens & Laundries
+ Commercial Kitchens
+ Hotels & Resorts
+ Schools & Child Care
+ Aged Care
+ Restaurants & Bars

WHERE TO USE

Indoor, outdoor, domestic and commercial: homes, hotels, motels, resorts, schools, child and aged care, restaurants, bars, commercial kitchens, shopping centres and more.

TEST FIRST

Always test first in an inconspicuous area to determine ease of application, dilution rate, colour stability and desired results. End user must determine suitability of product for their own use.

WHAT YOU NEED BEFORE YOU START

- Gloves, eye protection and chemical-resistant footwear;
- Plastic bucket and clean water;
- White nylon pad, scrub brush or scrub machine, grout brush;
- Wet vac or mop and clean rinse water.

HOW TO DILUTE & USE

Always add **Stone Wash+** to clean water to prevent splashing. **Per 4 L of water in a bucket:**

Use	Ratio	Add Stone Wash+	Total mixed
Light cleaning, conditioning + disinfecting	1:20	**200 mL**	4.2 L
Moderate cleaning, conditioning + disinfecting	1:10	**400 mL**	4.4 L
Heavy duty cleaning, conditioning + disinfecting	1:5	**800 mL**	4.8 L
Severe heavy duty cleaning + disinfecting	1:2	**2 L**	6 L

1. Sweep, vacuum or wipe the surface;
2. Dilute as per the table above, depending on how dirty the surface is;
3. Carefully apply the diluted solution to the surface;
4. Allow a minimum dwell time of **10 minutes**. DON'T ALLOW PRODUCT TO DRY ON SURFACE – ADD MORE DILUTED PRODUCT TO KEEP WET AND ACTIVE;
5. Scrub with a white nylon pad, scrub brush or scrub machine (grout brush for dirty grout joints);
6. Remove the dirty solution with a wet vac or mop;
7. Rinse thoroughly with clean water;
8. Repeat the process as necessary.

CONDITIONS

Use when the surface temperature is between 4°C and 32°C. Work in small sections out of direct hot sun so the solution stays wet for the full dwell time.

Stone Wash+

Stone & Terrazzo Deep Cleaner, Conditioner & Disinfectant

PRECAUTIONS & SAFETY DIRECTIONS

1. Read entire label, SDS & technical bulletin before using;
2. Wear gloves and eye protection – the concentrate causes serious eye damage;
3. Do NOT kneel in product or allow skin contact;
4. Do NOT breathe mist, vapours or spray;
5. Use when surface temperature is between 4°C & 32°C;
6. Do NOT allow contact with non-recommended surfaces;
7. Do NOT mix with other chemicals;
8. May affect some dark grouts and grout colourants;
9. Hard surface disinfectant only. Do NOT use on skin;
10. Regular use of alkaline cleaners can affect the performance of sealers, coatings, grout colourants and floor finishes;
11. Do NOT use undiluted. May dull or discolour some surfaces.

TECHNICAL DATA

Product type	Concentrated alkaline deep cleaner, conditioner & disinfectant
Appearance	Orange liquid, melon fragrance
pH	Approx. 9 (concentrate)
Dilution	1:20 to 1:2 with water
Contact time	Minimum 10 minutes, keep wet
Shelf life	Approx. 3 years unopened
Pack sizes	1 Litre · 4 Litre
Transport	Not a Dangerous Good
SDS	sealersplus.com.au/sds/Stone-Wash-Plus-SDS.pdf

DANGER

Hazardous (Safe Work Australia GHS 7). Not a Dangerous Good. **H315** Causes skin irritation. **H318** Causes serious eye damage. Do not get in eyes, on skin or on clothing. Wear protective gloves and eye protection. IF IN EYES: rinse cautiously with water for several minutes; remove contact lenses if easy to do; continue rinsing and immediately call a Poisons Centre or doctor. Keep out of reach of children.

KEEP AWAY FROM SKIN & EYES – DO NOT KNEEL IN PRODUCT

LIMITATIONS

- Badly stained grout may require re-grouting or re-colouring with **Colour'N'Seal**;
- For stain removal and problem solving see **our problem solvers**.

ONGOING MAINTENANCE

+ **EzyClean+** – routine everyday cleaning & disinfecting;
+ **Stone Wash+** – deep cleaning, conditioning & disinfecting of natural stone & terrazzo;
+ **Stone Gel+** – deep cleaning vertical surfaces;
+ **XtremeClean+** – heavy duty cleaning, degreasing & disinfecting;
+ **AquaGuard** – cleaning and helping prolong sealer life span;
+ **Aqua-Seal Gold+** – re-seal when water no longer beads;

HANDLING, STORAGE & CLEAN UP

- Close container tightly after use and keep upright. Store locked up in the original container in a cool, well ventilated area out of sunlight;
- Shelf life approx. 3 years unopened – less after opening. Use before USE BY DATE (older stock: test first);
- Do not re-use container. Rinse and discard in rubbish. Wash tools, gloves and shoes with water before they dry.

FIRST AID

Immediately contact Poisons Centre (Australia Ph: 131 126, NZ Ph: 0800 764 766) or a doctor. **Ingestion:** Rinse mouth. Do NOT induce vomiting. **Eyes:** Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do. Continue rinsing. **Clothes:** Remove contaminated clothing and wash before re-use. **Skin & hair:** Wash with plenty of soap and water. **Inhalation:** Move to fresh air and keep at rest. **General:** If any irritation persists get medical advice.
